

Dear ACPELIA Team,

On behalf of Forever Young Organization, I would like to extend my deepest gratitude and appreciation for your outstanding efforts in organizing the **E=mc² Youth Exchange**. Your dedication to fostering intercultural dialogue, learning, and youth development was evident throughout the project, and we are truly honored to have been a part of this enriching experience.

This project was particularly special for us, as it marked the first journey of our Erasmus facilitator, **Rana Al Ghaban**. Your support and trust in her facilitation skills made a significant impact, allowing her to grow and gain valuable experience in her new role. Your collaborative spirit and encouragement not only ensured the success of the project but also empowered our team to actively contribute and engage in meaningful learning experiences.

Despite the challenging circumstances caused by the war in Lebanon, securing flights for the Lebanese participants was a major hurdle. Many flights were unavailable, and those that were available came at an exceptionally high cost, making attendance difficult. **Nikolas, the project manager, went above and beyond by personally arranging tickets for the Lebanese team through Cyprus Airways. Unfortunately, the flights were later canceled, adding further complications to the travel logistics.**

Despite these setbacks, **Nikolas' dedication and efforts to support the Lebanese team were truly commendable, and we deeply appreciate his commitment to inclusivity and representation within the project.** While these challenges posed difficulties, we remain hopeful for better cooperation and smoother travel arrangements in future projects, ensuring that all participants have equal opportunities to engage and benefit from such valuable experiences.

Once again, thank you for your professionalism, generosity, and dedication to youth empowerment. We look forward to future collaborations and the opportunity to work together on impactful projects that continue to inspire and educate young people worldwide.

With gratitude and appreciation,

Dima Mahmoud
